LIGATURE-RESISTANT WATER COOLER & BOTTLE FILLER

NEW - AR81 and AL81
Drinking Fountain
with Bottle Filler

MORE THAN *just* SAFE TO DRINK.

NEW - AR14085 (shown)

The Ligature-Resistant Water Cooler & Bottle Filler by Murdock® Manufacturing addresses a new concern faced by many educational and institutional facilities. Ligature-related self-harm is becoming more frequent, and we are taking measures to ensure that Murdock products contribute to a safer environment.

By minimizing ligature points, Murdock's Ligature-Resistant Water Cooler & Bottle Filler provides fresh, clean drinking water to thirsty students, faculty and workers, and simultaneously reduces opportunities for self-harm related to ligature attachment.

- **Semi-Recessed** - Wall Mounted Bottle/Cup Filler Drinking Fountain (DF Optional) Combo

INNOVATIVE SPIRIT AND ENGINEERING FOUNDATION

“What sets us apart from competitors is our engineering and spirit. We have a ‘can-do’ spirit. If you ask us to do something, we will do it or figure out how to do it. That’s the part our customers like, that’s the part we like.”

- Don Morris, President and CEO
